

Limb Lengthening and Reconstruction Society: ASAMI–North America

Specialty Day 2022  
McCormick Place, Room S102d

**Chair: Mitchell Bernstein, MD**  
**Co–Chair: David Frumberg, MD**

Upon completion of the activity, the physician will be able to:

1. explain evolution in treatment strategies of common deformity and limb salvage conditions;
2. perform current management strategies for patients with patellofemoral instability; and
3. understand the science of the Ilizarov Method.

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Academy of Orthopaedic Surgeons and the Limb Lengthening and Reconstruction Society. The American Academy of Orthopaedic Surgeons is accredited by the ACCME to provide continuing medical education for physicians.

The number of Category 1 Credits™ is still to be determined. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
