

## LLRS Quarterly Newsletter Winter 2023

### Update from the LLRS President Dr. Stephen Quinnan

It has been an incredible year for our Society and we have much to be grateful for this holiday season. The membership is strong and growing and we are financially on solid ground. We can also report that ownership of Journal of Limb Lengthening & Reconstruction (JLLR) is now official and the new editorial board is being formed.

In addition to reflecting on the year that has past, we look forward to a successful year to come. We start out with two exciting upcoming events

## Upcoming Events

### 2nd Annual Essentials of Lower Extremity Reconstruction Course (ELER)

**Jan 26&27, 2024**

Scottish Rite for Children  
Dallas, TX

- [learn more](#)

---

### AAOS Annual Meeting 2024

**Feb 12-16, 2024**

San Francisco, CA

- [view education offerings](#) on **new deformity track**
  - review [agenda](#) for subspecialty day with SOMOS
-

after the New Year with the 2nd Annual ELER course in January and Specialty Day at the AAOS in February. After that, remember to submit abstracts for the Annual Meeting and mark your calendar for July 12 & 13 in Hollywood, FL.

We are looking forward to an epic meeting with educational and entertainment opportunities for all.

Happy Holidays to all!

# LLRS 33rd Annual Scientific Meeting July 12&13, 2024

*Pre-course: July 11th*

Margaritaville Beach  
Resort  
Hollywood, FL

- abstracts due April 5th
- [learn more](#)

## LLRS Member Spotlight - Dr. Philip McClure

[Read about Philip McClure](#) - a limb deformity surgeon in Baltimore, MD - his favorite cases, hobbies, and his experience with LLRS.

### Membership Committee Updates

*Dr. David Frumberg*

The LLRS currently has 206 members from 28 countries. We continue to inspire young surgeons to pursue careers in our field and help move the science forward. We encourage you to encourage other members with a passion for learning about limb deformity to [apply here](#).

### ADDITIONAL INFO/REMINDERS

*Karen Syzdek - Executive Director, LLRS*

The Clinician Scholar Career Development Program (CSCDP) will be held October 3-5, 2024 in Rosemont. Applications are due Monday, March 11. Learn more [here](#).

**Make your LLRS 2024 resort reservation now.** It may seem early to book for July but the number of rooms at the discounted room rate is limited. *All rooms were booked weeks prior to the meeting in 2022 and 2023.* Make note of the cancellation policy in case your plans change. Make a reservation [here](#).
